

Into the Deep Retreat

growing in intimacy with God through silent prayer

*A contemplative retreat by
Fr. Jeremiah Myriam Shryock, CFR*

March 13-17, 2018
Dallas, Texas

Into the Deep Retreat is geared towards a deeper encounter with God in silence. The retreat will include 3 hours of silent prayer together each day. It is recommended that those who attend these retreats already have a regular prayer life and are relatively comfortable with silence. Visit intothedeepretreat.com

This form of prayer is described in The Catechism of the Catholic Church as "*the symbol of the world to come, or 'silent love.'*" In this style of prayer, "*words... are not speeches, they are like kindling that feeds the fire of love.*" (CCC 2717)
